(Monday to Thursday)

eBrochure

After successful debut of its 1st edition, **3SMG Events** is launching its 2nd edition of **PHDH.WORLD** in a much BIGGER & WIDER format during **March 22~25, 2021** under the support of several Pharma, Medical Device Associations and Trade Promotion Organizations from India and overseas. Covid, still being a disruptor to physical events, **PHDH.WORLD** has partnered with one of the most robust Partnering System from **Inova Software** from France to give the best experience of Business Partnering in Bio-Pharma Industry. The organizer has invited 2,000+ Pharma and MedTech Industry professionals to participate in this Expo as Business Visitors, Business Partnering, Speakers, Exhibitors and Company Presentation. The organizer invites you to register your participation for availing maximum advantages of Business Partnering across the Bio-Pharma and MedTech verticals in different parts of the world.
